1. The first line of the table is empty.  
 2. The second line of the table is empty.  
 3. The third line of the table contains the value 855 in the first column and 85502 in the second column.  
 4. The fourth line of the table is empty.  
 5. The fifth line of the table contains the value 855 in the first column and 85503 in the second column.  
 6. The sixth line of the table is empty.  
 7. The seventh line of the table contains the value 855 in the first column and 85504 in the second column.  
 8. The eighth line of the table is empty.  
 9. The ninth line of the table contains the value 855 in the first column and 85513 in the second column.  
 10. The tenth line of the table is empty.  
 11. The eleventh line of the table is empty.  
 12. The twelfth line of the table is empty.  
 13. The thirteenth line of the table is empty.  
 14. The fourteenth line of the table is empty.  
 15. The fifteenth line of the table contains the value 900 in the first column and 90001 in the second column.  
 16. The sixteenth line of the table is empty.  
 17. The seventeenth line of the table contains the value 900 in the first column and 90004 in the second column.  
 18. The eighteenth line of the table is empty.  
 19. The nineteenth line of the table is empty.  
 20. The twentieth line of the table is empty.  
 21. The twenty-first line of the table contains the value 900 in the first column and 90015 in the second column.
